and Fish Protection Society Inc. VIC

## Application for Kayak Storage

Date .....

Name of Owner(s) Registered in Club Records

Name (in full) .....

Members nominated (excluding owner(s)) approved by Committee to use vessel

.....  
.....

Length of Kayak ..... Manufacture ..... Reg. No .....

You are only required to hold a marine licence and register your vessel with VicRoads if the vessel is fitted with a means of propulsion.

1. Kayaks must be designed for angling and conform to the specifications in the By-laws, i.e. Length minimum 2m, Manufactured to AN/NZS 4766:2006 or similar standard; and equipped with all the equipment required by the relevant government regulations
2. Every kayak owner upon applying for/or renewing of annual Kayak space must produce and have sighted by a member of the Committee:
  - Current insurance policy with public liability Insurance for the coverage of at least ten (10) million dollars (if required)
  - Current registration (if required) and
  - Current Victorian marine license (if required)These insurances and licences must be maintained while the vessel is used from the Club
3. Kayak owners must take an active and personal interest in Club Activities and failure to do so shall give the Committee power to cancel the offender's kayak space.
4. A member must be in the Club a minimum of six (6) months before applying for a kayak space.
5. A kayak owner cannot nominate another member to use his or her kayak unless such member is of six (6) months' standing and such nomination is approved by the Committee.

Should this application be granted I am prepared to place my vessel at the disposal of the Committee for such Bay Competitions as the Committee may deem fit.
