

**Williamstown and Newport Anglers' Club  
and Fish Protection Society**

Incorporated in Victoria  
P.O. Box 15  
Williamstown VIC 3016

## **WNAC COVID Safe Plan**

- The Club will always follow the current Government regulations. See <https://www.coronavirus.vic.gov.au/coronavirus-covidsafe-settings>.
- All members and guests must sign in using the **QR code** (location RBD 9L3) any and every time they enter the club buildings. See <https://service.vic.gov.au/check-in> to download the app.
- As a backup for those who do not have a phone with the app or who cannot access the code must use the **Sign-in Register** kept near the Clubrooms front door.
- Boat owners not able to use the QR code and who go to the club, at times other than for a Wednesday Club meeting, need to swipe in with their keycard, and also sign in on the Register. The logs from the Card access system can be accessed to support contact tracing.
- Masks and hand sanitizer rules are to be followed. Hand sanitizer to be provided in the weigh in area and at the front door.
- Before and after meetings and competitions high contact points are to be cleaned.
- Signs indicating the requirements for Masks and Social distancing to be displayed.
- If required we will use Zoom / Microsoft Teams for members to participate at meetings without physically attending.
- Club Boats can only be used if restrictions allow. Thorough cleaning and sanitisation after use is required.
